October 2019

Produced by The Hempnall Group of Churches

Thought for the Month...

Pigeons, I have been discovering, through a book called "Homing" by Jon Day, are amazing birds.

Did you know?

- *They can go from 0-60 mph in 2 seconds
 - *The fastest average speed recorded of a pigeon in flight was 110mph
 - *They have an unmatched ability to find their way home
 - *They mate for life; their intelligence enables them to problem solve and distinguish one parameter from another.
- This book has made me think differently about pigeons.

Pigeons, over many centuries, have been used to deliver messages in times of war and peace. In The Hempnall Group we have our own "Pigeon Post". It's called "**Outlook**". **Every month** it finds its way **free to your home** with news.

- *News about what's happening in **your village**
- *News about planned events and services
- *News about celebrations, births, christenings and weddings
- *It gives voice to people's thankfulness in times of joy and sorrow
- *It shows you where to go if you need someone to help you.....

Every month, news is gathered, typed, checked, printed, collated, stapled, and delivered to your village and your home, by an amazing group of people who give their time freely and gladly, so you can keep in touch with what's happening in your neck of the woods. A very big thank you to all who help.

This month "**Outlook**" has a new look. We hope you enjoy '**Village News**'. Our "**Pigeon Post**" this month as every month, read or unread, is put together and delivered with love and care and thoughtfulness. I hope and pray each one of you will know the blessing of love, care and thoughtfulness.

With love

HEMPNALL ART CLUB

Another fun filled month in which Tracey organised two "Painting with the Children" afternoon workshops, "Under the Sea" and "African Savannah". The children produced some great paintings.

We also held a Summer Workshop, with 4 evenings of watercolours for beginners; this was tutored by Adrian who took us back to basics with the art of using watercolour paint, which brush, the weight and type of paper, a colour wheel. On the last evening we all produced our own version of one of Adrian's own paintings of Norfolk Poppies. The results can be seen on our Facebook page. We meet on Monday afternoons 1pm – 3.30pm, Tuesday mornings 10am – 1pm and Tuesday evenings 7pm to 9.30pm. If you would like any more information about our club, please telephone Tina on 01508 499376 or contact Christine, email address is christine@tunmore.plus.com

Thank you....

GILLY MOULTON

CHRISTMAS SHOE BOX APPEAL 2019

Firstly, thank you for all the wonderful boxes you donated last year. As always, the boxes were filled with such lovely gifts. The gift of a shoebox will be the **ONLY** gift many of these children receive as their families are too poor or they don't even have their own family.

If you haven't got involved before, this is what you do. Find and cover a shoe box with Christmas paper or get a ready-made box from Hempnall Rectory or from the back of any of the churches. Then using your leaflet from the Village News magazine for ideas, simply fill your box with goodies. They do not have to be new, but obviously in good condition. I often go through my boys' toy boxes, for

things they no longer play with. When your box is complete, add your donation towards travel costs. Some families love to put in a note or a photo, so the child can see who sent them the gift. The drivers deliver for free but obviously the donation goes towards diesel costs. Lastly drop off your box at Hempnall Rectory or Minnie's shop in Woodton by 18th November. **PLEASE** get involved if you are able.

If you want to know more or follow the journey of your shoebox please go to www.operationchristmaschild . Thank you for helping to make Christmas a special time for vulnerable children across the world. **HAPPY PACKING!**

CHRISTMAS GET-TOGETHER at Woodton Village Hall

On Saturday 30th November, 2.00pm-3.30pm.

More details to follow next month.

POSADA

We will be having Posada again this year!

POSADA - MAKING ROOM FOR JESUS THIS CHRISTMAS in Hempnall, Woodton, Bedingham, Shelton and Hardwick

What is Posada?

Posada is an old Mexican Tradition where young people dressed as Mary and Joseph travelled from house to house in their village asking for a room for the night, telling of the imminent arrival of Jesus. On Christmas Eve they would visit the local church to tell the Christmas story and place the figures of Mary and Joseph in the crib.

The figures made will travel from place to place on their way to church on Christmas Eve.

Would you be willing to give the (unbreakable) crib figures of Mary and Joseph a home for one night giving them somewhere nice to stay and then pass them on to the next home where they will stay?

All you need to do is ring Michael 01508 498157 or Liz 01508 482366 by **Friday November 1st**. We will let you know the day Mary and Joseph will come to stay and where to take them for the next night.

We have many new faces at the surgery. Dr Annabel Hall started in September and will be working 3 days a week. Dr Hall trained at NNUH and lives locally with her husband and young family.

On the training side we have Drs Rudge and Drummy who are GP Registrars and both started over the summer. They are with us for four and six months respectively. If you haven't done so already please make an appointment for your flu vaccinations as our clinics for all eligible patients are now running.

We held a very successful educational evening in September looking at the technological development within the NHS. If anyone is interested in learning a little more about the way Health Apps may be able to help you, or about Online Access or just to learn about navigating the internet to find good quality advice, then please contact our Patient Participation Group as they are looking to set up a monthly support group at Swan Lane surgery lsnfppg@gmail.com.
