Produced by The Hempnall Group of Churches

Thought for the Month...

Hello everyone,

“So much beauty we need to look after”, said the boy, as he, the mole and the fox looked out onto the great beyond.

(from The Boy, the Mole, the Fox and the Horse by Charlie Mackery, it's a book well worth a look, beautifully illustrated with a few simply chosen words)

Whether we are looking close up to a dew laden spider's web or earth worm or further away to one of those glorious red Norfolk sunsets, there is “much beauty” around, above, and below us.

Planet Earth, we are told is about 4.5 billion years old. It holds us up literally and supplies what is needful for life. We, humankind, are latecomers to this planet. If you look at the age of Earth as a 24 hour clock, we showed up at about 11.43pm. How can we care for its beauty and in so doing care for each other?

Words like: threat, uncertainty, risk, disaster, extinction, crisis is language often used in relation to Climate Change. It seems there is a lot of fear around.

Perhaps we can look at things differently. If we see and delight in the beauty of the world, (as the boy, the mole and the horse did) we will naturally long for others to share that same joy. Working with each other and our planet we can face the challenge ahead with hope and optimism.

Pie in the sky?

I don't think so, but come and see what you think. You are warmly invited to a series of evenings, (see opposite) as we explore the challenges and opportunities we face locally and internationally. We all have something to contribute. Let us tread gently together for the sake of the world.

With my love

What's On in Our Villages.....

75TH V.E DAY ANNIVERSARY

In preparation for the 75th V.E Day Anniversary, Friday 8th May 2020 (Bank Holiday) we are proposing to hold a village event that would bring us all together to celebrate the peace we now all enjoy following the sacrifices made by so many, including our own brave residents.

This is to be a free event open to all and an opportunity to get together and have some fun. It is hoped to apply for a road closure to enable us to have an informal parade from a central village location to the Village Hall followed by a picnic in the park, with perhaps some entertainment and activities.

This is currently only a proposal and we would like to involve as many people from our village as possible, we hope you can get involved by joining us to form a steering group to enable this all to happen. We have already had some positive indications from the local council regarding some funding.

Please feel free to contact Diane Ingram or Katie Barnes, we would so appreciate some support. There will be a preliminary get together on **Tuesday 28th January 7.30pm** at The Mill Centre to finalise some ideas and make a formal plan for the event to take place. Please help us in creating a memorable celebration that everyone can enjoy. Diane Ingram – ingramcc9@tiscali.co.uk 01508 498549, Katie Barnes - ktbarnes11@gmail.com 07940436805

FOOD BANK

On behalf of all The Food Bank recipients, and the staff who work so energetically and understandingly to help them, thank you for all your donations last year – sadly still needed in 2020. Our next collection is on **SUNDAY 2ND FEBRUARY AT BEDINGHAM CHURCH.**

At Christmas we often receive special items of food we cannot eat for various reasons, the Food Bank accepts these gifts gratefully, but please check the sell-by dates – as with all items!

We recently heard of someone who had to really make herself seek out a Food Bank to serve her desperate needs. She had suddenly lost all previous means of support. The helper at the Food Bank listened and provided for her needs. She returned some time later to thank them all, and to say she now had a job, a safe home, and enough to live on.

Items can, as usual, be left at the Hempnall Church Office, Mon-Thurs, 9am-1pm.

May you all be truly blessed in your giving and receiving.

HEMPNALL ART CLUB

Peter Brook, a Yorkshire Artist was the subject of our evening with Adrian, an interesting evening using just black and white paint.

Christine organised an evening making a door wreath.

We decorated a tree at the Christmas Tree Festival at St.

Mary's Church, Long Stratton, with all three of our clubs painting baubles, slices of wood, knitting, crocheting, sewing and paper folding, to cover our seven foot tree.

We came 3rd in the public vote.

Our Christmas "Do" was held at The Mill with lunch, quizzes and bingo.

We have a full calendar of events coming up in 2020, including workshops, demonstrations, plein air painting, coach trip and of course our regular weekly meetings in the Nelson Suite.

Hempnall Art Club meets on Monday afternoons 1pm - 3.30pm,

Tuesday mornings 10am - 1.00pm and Tuesday evenings 7pm - 9.30pm.

We thank everybody who attended the evening and everybody who made a donation of whatsoever nature.

SHELTON AND HARDWICK - DEFIBRILLATOR

Last year, two men in Hardwick suffered major heart attacks and thankfully survived. On both occasions, the emergency services wanted to know the whereabouts of the nearest defibrillator. This has prompted Shelton and Hardwick Parish Council to seek funding to enable a defibrillator to be made available in the Parish. The Parish Council would be interested to hear from anyone in the Parish who would like to make a donation towards the cost or who is trained in the use of a defibrillator. Please contact the Parish Council by e-mail to:-

sheltonandhardwickpc@outlook.com

WOODTON DOG FOULING

Woodton Parish Council are very aware, and it has been brought to their notice, that there is, once again, an increasing problem with dog fouling around the villages of both Woodton and Bedingham. We would be most grateful if dog owners would please clear up after their dogs, use the appropriate bins provided and keep the paths and lanes clean for the benefit of all walkers. There will be new notices going up around the villages shortly.

The Borderhoppa 2020 outings leaflet is now available.

We have many trips arranged throughout the year including pub lunches, garden centres, the coast, mystery tours, boat trips and many more. You can pick up a leaflet at your local library, information centre, GP surgery, from one of our drivers or by calling the office and we'll post one to you.

Need help with transport? Borderhoppa buses are available to people of all ages who are unable to use ordinary bus services either because of mobility difficulties or because there isn't a bus service for them to use.

Our door-to-door dial a ride service can take you shopping, to medical appointments (excluding hospitals), to visit a friend or relative or attend a local club. If you would like to find out more about the great service we provide please call us on 01379 854800 or visit our website www.borderhoppa.org

GIRLGUIDING IN WOODTON AND BEDINGHAM AND SURROUNDING AREAS

Woodton and Bedingham have traditionally been feeding into the local Girlguiding Units in Brooke. In Brooke we have two exciting Girlguiding Units, Guides for girls aged between 10-14 and Brownies for girls aged between 7-10. We would like to open a Rainbow Unit in Brooke at the Village Hall on a Tuesday afternoon before the Guides and Brownies meet. Rainbows is Girlguiding for girls aged between 5-7 years old, meetings will last one hour and take place during school term times. There will be lots of fun and girls have the opportunity not only to make new friends but earn lots of lovely badges and start their Girlguiding adventure.

To register your interest please sign up on www.girlguiding.org.uk. register your daughter. Full details of Rainbows, Brownies, Guides and Rangers plus information if you wish to be an adult volunteer can be found on the Girlguiding website.

LONG STRATTON MEDICAL PARTNERSHIP Tel: 01508 530781

A belated Happy New Year from everyone at Long Stratton Medical Partnership. Clinician wise in February we say goodbye to Dr Jenny Drummy who has been with us for 6 months. Jenny has enjoyed her time here at LSMP and she remains focused on a future career in General Practice. She is moving onto a placement in Palliative Care as the next stage of her training. We wish her good luck for her forthcoming wedding. Dr Hannah Bardsley remains with us until March when she will move onto a placement in the ENT department.

We have our UEA students back with us and over the next few weeks they are learning about Mental Health, then back again in March for Obstetrics & Gynaecology. We also have some students from Cambridge University. Some of you may be asked to see a student under supervision from the GPs. There is never any obligation to see students but we remain very grateful to those who do see them as it is a vital part of their learning and they are our next generation of doctors. *Dr Lara Douglass*

Gardening tips for February

Spring is in sight

This month there are signs of the approaching spring, with bulbs appearing and wildlife waking up as light levels and temperatures increase. There's plenty to do indoors this month to prepare for the season ahead. Outdoors, as the garden comes to life again, it's time to prune shrubs and climbers, such as *Wisteria* as well as evergreen hedges.

Top Ten Jobs for February:

- Prepare vegetable seed beds, and sow some vegetables under cover
- Chit potato tubers
- Protect blossom on apricots, nectarines and peaches
- Net fruit and vegetable crops to keep the birds off
- Prune winter-flowering shrubs that have finished flowering
- Divide bulbs such as snowdrops, and plant those that need planting 'in the green'
- *Prune Wisteria*
- Prune hardy evergreen hedges and renovate overgrown deciduous hedges
- Prune conservatory climbers such as bougainvillea
- Cut back deciduous grasses left uncut over the winter, remove dead grass from evergreen grasses
